Onesie Day - Celebrate Difference

We are celebrating difference by wearing mufti (**onesie or crazy hair, odd socks**) - something different, **tomorrow Wednesday 4 July**. The reason for this day is to raise awareness and funds for Autism NZ so we ask you to bring along a **gold coin donation**. The Young Christian Leaders will be going to each class during this day to take photos and read a special picture book which shares the message of kindness, inclusiveness and how we value our uniqueness.

Team 2 Music Performance

Our performance will be held this **Wednesday 4 July at 7.00pm** (students cannot arrive before 6:45pm) at Sts Peter & Paul Church. Team 2 have been working with Jellybeans Music this term learning to play the glockenspiel and percussion instruments.

We ask that there is no filming during the performance to allow everyone to enjoy the show. There will be an opportunity for you to take photos of your child at the end of the performance. We will also be filming the performance and will make this available to parents and caregivers.

Team Dances

Team 1 Dance - Team 1 are having a fun dance this Thursday 5 July from 1.45pm till 2.45pm in Room 12. The theme for this event is SUPERHEROES. Students are asked to bring **50 cents** and give to their class teacher to cover the cost of balloons and lollies.

Team 2 Dance - This will be in Room 12 this Thursday 5 July from 3.15pm to 4.15pm. Tickets for **\$2** will be on sale outside the library at each morning tea until tomorrow Wednesday 4 July. At this dance there will be drinks, lollies and glow sticks for sale as well as prizes and dance music organised by the Young Christian Leadership Team.

DIABETES X-PLAINED: A Diabetes Awareness Public Event

Most people diagnosed with Diabetes find out only 'by accident' while being treated for other medical conditions and issues; with very few proactively asking for a diabetes test. Late diagnosis of Diabetes leaves people at greater risk, developing serious complications such as stroke, heart disease, blindness, kidney disease and amputation. Join us for a public evening hosted by the Johnsonville Lions Club, in conjunction with Diabetes NZ and Healthy Futures Trust at the Johnsonville Community Centre on **18 July at 7.00pm**. A gold coin donation will be appreciated
