2018 Great Kiwi English, Science and Mathematics Competitions

This year parents may enter their Year 5-8 children into online competitions called Kiwi Science, Kiwi Maths and Kiwi English. These competitions were launched last year and received great feedback. They are organised by the University of Canterbury and will replace the ICAS tests that our school has previously participated in.

The New Zealand competitions are written by New Zealand teachers and are based on the New Zealand curriculum. They will be run in the last three weeks of Term 2 and cost \$8.50 per examination. All participating students will be awarded a certificate and prizes will be awarded to top students in each year group.

If you would like your child to take part in these competitions, please complete the entry form attached to the newsletter, and return to the school office with money included. Entry forms are also available at the school office. **Entries will be accepted until Tuesday 22 May 2018.**
