REPORTING TO PARENTS POLICY

Rationale

Successful learning is based on active participation in the learning process by students, teacher and parents.

Purpose

- To inform parents of their child's progress and achievement in relation to the NZ Curriculum; and
- To foster a partnership between school and home.

Objectives

- Parents and caregivers will have reasonable access to their child's details of progress at school.
- Formal reporting in writing will occur twice a year:
 - Years 1-3 approximately every 6 months from school entry
 - Years 4-8 mid year and end of year
- Formal opportunities will be provided twice a year for parents or caregivers to discuss their child's progress and next steps with individual teachers.
- Approaches to discuss a child's progress at a time other than those formal times may be arranged with the classroom teacher.
